This is a cozy residence, with a clean-lined design consisting of superimposed cubes, prioritizing functional spaces, large windows and open areas to enjoy the outdoors and the Mediterranean climate. The home is accessed from the upper part, from which you can descend to the other floors. This floor contains the entrance hall, two bedrooms with large fitted wardrobes, a large bathroom, a lumber room, a large terrace with a pergola and a lift and staircase to get to the other floors. The ground floor is the main area of the home, with a hall, a guest toilet, laundry room, main bedroom with its en suite bathroom, walk in closet and direct access to the terrace, a fully equipped kitchen, a dining room directly accessing the home's porch, terrace and swimming pool. Outside there is also a barbeque, a storage room and several landscaped areas that enhance the beauty of this property. It also has a 30m² open-plan semi-basement floor that could be used as an additional bedroom or a gym, studio, etc. A south-east facing villa in a consolidated residential area.
